Childz Play

Cee-Lo

Come on, chop, chop, yeah man

I'm just gonna play with y'all on this, hidey hoWell, hello, howdy do, how are you? That's good Who me? Still hot, I still got, you got me

I'm here, I'm there 'cause I'm wrong, 'cause I'm rightI can spit on anything, got plenty game, authentic My pen's sick, forensic, defends it, he wins it

Again and a, again and a, again and aI'm the one, come see, lookey I and come meet

The young Cee, the one treats everything the sun seek

I'm hollering, can't help, I'm hungryI cake rap, bake rap, sack rap, trap rap

Same shoes, same shirt, the same work, the same jerk

Claim hurt, the game hurt, my name work, it ain't workI'm fast, time fast, I'm first, I'm last Psychic, I knew you would like it like this

I write this, priceless, more then my right wristCock back, block track, the beat bleed, speak read Men eat weed, bead seed, I speed read, you need me

To give it to you like you want it, I own it when I'm on itMaintain the same thing, nigga rap about the same game

None left, shame shame, plain game, insane

When I rap things change, me and God, same thingMoney's here, money fold, I'm young and money old Maybe look, cross hanging down to my tummy toes

I know it, I'm a stop, I'm trying just like lifeYes, I can sing and I can rap

And I can act and I can dance

And I can dress, sign of the best

So is my guest, man, I'm impressed

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah haLittle melody and a little drum

All I really need to have a little fun

Hush little one, let's get it done

Dress like a fun, bust like a gun

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah haWho the only little nigga that you know with 'bout fifty flows

Do about fifty shows in a week

But creep on the track with my tippy toesShut the fuck up, I'm trying to work

Ah forget it, I'm going berzerk

'Cause I stack my change and I'm back to claimMy reign on top, so pack your thangs
I've racked your brain like crack cocaine

My fame won't stop or I'll jack your chainGive it up, ring, ding, ding, thanks the price was right

That gray goose got me loose but my eyes are tight

It's the truth, give me a light like I'm dynamiteAlright, alright, we goin' ride tonight
I'm so dangerous that I gotta bang with this

You could be famous or remain namelessBetter just drop down to your knees

Call upon the Lord and pray Better luck next time

But you wanna open that door today Your hair sorta gray, it's that sorta day

Flowing so hard over this track and I got more to say

I ain't new to this, I'm so true to this

See what you get fucking with Cee-Lo and LudacrisYes, I can sing and I can rap

And I can act and I can dance

And I can dress, sign of the best

So is my guest, man, I'm impressed

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah ha, ah haLittle melody and a little drum

All I really need to have a little fun

Hush little one, let's get it done

Dress like a fun, bust like a gun

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah ha, ah haYes, I can sing and I can rap

And I can act and I can dance

And I can dress, sign of the best

So is my guest, man, I'm impressed

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah ha, ah haLittle melody and a little drum

All I really need to have a little fun

Hush little one, let's get it done

Dress like a fun, bust like a gun

Hurry, hurry, hurry, come and see

This is just like childz play to me, ah ha, ah haOkay, there you have it little kids, wasn't that fun? Yeah Saturday morning, Cee-Lo Green and my man Ludacris

Doing this thing, ATL style, this is childz play guys, seriously though

I can rap 'bout any you guys with my tongue tiedDon't make me get serious on your ass

You wouldn't like me when I'm serious

I could have said anything I want to
