Stonecutter's Arms

Tom Cochrane

Loved a girl named Stacy
Nearly drove him crazy
Took him for all he was worth that wasn't much
But still they kept in touchAnd now they're back in time down
At the stonecutter's arms
There's old Tuck man, he's down on his luck man
Some days he's wasting awayThere's a place where Tuck will soon fly there
A toast to his charms down at the stonecutter's armsWe're outta harm down at the stonecutter's arms
Raise a glass or two and maybe smash a few, well, that's okay
They break their backs all day for you
Life is short they say down at the stonecutter's armsI'll remember, remember always
Have a toast down there a toast to her charms
Give it all day, life is short they say
There's a hearth there at the stonecutter's armsWhat won't kill you will only make you stronger
Ties that bind there you can never put asunder
Look into her eyes and I can see the world's a wonder
A toast to your charms down at the stonecutter's armsWe're outta harm down at the stonecutter's arms
Raise a glass or two and maybe smash a few, well that's okay
They break their backs all day for you
Life is short they say down at the stonecutter's armsI'll remember, remember always
Have a toast down there a toast to her charms
Give it all day, life is short they say
There's a hearth there at the stonecutter's armsI had a friend whose dad died in his arms and it
Broke his heart for a while and it turned him to stone
But I knew he'd get around it
It only made him strongerOnce in a while you look in his eyes you know
He's not alone
These are the things that carry with you
You're never aloneWhat won't kill you will only make you stronger
Ties that bind there will never put asunder
Look into her eyes and I see the world's a wonder
A toast to your charms down at the stonecutter's armsI'll remember, remember always
Have a toast down there a toast to her charms
Give it all day, life is short they say
There's a hearth there at the stonecutter's arms
