Who Is This Woman?

Paul Wright

Inside I can't decide which way to go
Well, I'm attracted to this girl but I don't want to let her know
How I feel what if this is real but she just don't see
Who I am or what I am trying to be?Who is this woman?
Coming into my life she's taking up my time
Who is this woman?
Coming into my life she's filling up my mind
Yeah, and taking all my time, alrightInside I can't decide which way to go
Well, I'm attracted to this girl but I don't want to let her know
How I feel what if this is real but she just don't see
Who I am or what I am trying to be?Who is this woman?
Coming into my life she's taking up my time
Who is this woman?
Coming into my life she's filling up my mind
Yeah, and taking all my time, alrightWell, inside I can't decide which way to go
Well, I'm attracted to this girl but I don't want to let her know
How I feel what if this is real but she just don't see
Who I am or what I am trying to be?Who is this woman?
Coming into my life she's taking up my time
Who is this woman?
Coming into my life she's filling up my mind
