Whenever I

Wild Nothing

You weigh on my mind
Like pieces of you stuck to me
And I needed time to be there
To feel myself move againWhenever I want you
You are mine
Whenever you tell me
It's going to be fineAnd I thought you were mine to be
And I thought you'd be good for me
But I know what you are now
And I know what you are nowAnd I thought you were onto me
And I thought you'd be good for me
But I know what you are now
And I know what you are now
In the mural room
Aligning the tapestry
Thousands of years spent
A missed opportunityWhenever I want you
You are mine
Whenever you tell me
It's going to be fineAnd I thought you were mine to be
And I thought you'd be good for me
But I know what you are now
And I know what you are nowAnd I thought you were onto me
And I thought you'd be good for me
But I know what you are now
And I know what you are now
Whenever I want you
You are mine
Whenever you tell me
It's going to be fineAnd I thought you were mine to be
And I thought you'd be good for me
But I know what you are now
And I know what you are nowAnd I thought you were onto me
And I thought you'd be good for me
But I know what you are now
And I know what you are nowAnd I thought you were mine to be
And I thought you'd be good for me
But I know what you are now
And I know what you are nowAnd I thought you were onto me

And I thought you'd be good for me
But I know what you are now
And I know what you are now
