Vienna (Remastered)

Ultravox

We walked in the cold air -
Freezing breath on the window pain
Lying waitingA man in the dark in the picture frame
So mystic and soulful.
A voice reaching out and a piercing cryIt stays with you until
The feeling is gone
only you and I
This means nothing to meThis means nothing to meOh Vienna -The music is weaving -
Haunting notes pizzicato stringsThe rhythm is calling
Alone in the night as the daylight brings a cold empty silence
The warmth of your hand and a cold grey skyIt fades to the distance.The image is gone
only you and I
This means nothing to meThis means nothing to meOh Vienna -This means nothing to meThis means nothing to meOh Vienna.
