

Vienna (Remastered)

Ultravox

We walked in the cold air -
Freezing breath on the window pain
Lying waiting A man in the dark in the picture frame
So mystic and soulful.
A voice reaching out and a piercing cry It stays with you until
The feeling is gone
only you and I
This means nothing to me This means nothing to me Oh Vienna - The music is weaving -
Haunting notes pizzicato strings The rhythm is calling
Alone in the night as the daylight brings a cold empty silence
The warmth of your hand and a cold grey sky It fades to the distance. The image is gone
only you and I
This means nothing to me This means nothing to me Oh Vienna - This means nothing to me This means nothing to
me Oh Vienna.
