

I Believe In You (Dedication Song)

Point of Grace

Give your heart though it might make you a fool
Go reach out and break some of the ruse
Dont settle, hold out for something more
Find the truth that youve been searching for Let your eyes show whats in your soul
And let your hands say youre not alone
Find a love that loves you strong and kind
Change the world with what is deep inside I believe in angels, I believe in love
I believe therell come a time youll find what youve been dreaming of
Draw or win or lose, whatever road you choose
I believe in you Find yourself though you werent even lost
Be who you are and dont be who youre not
Take a stand, dont linger on the fence
With careful stance but lingered consequence I believe in angels (I believe in angels)
I believe in love (I believe in love)
I believe therell come a time youll find what youve been dreaming of
I believe in sunsets, I believe in prayer
I believe theres hope cause theres someone out there who cares
Draw or win or lose, whatever road you choose
I believe in you I believe in you When its time to let you go
Youre in my heart and in my soul
And more than anything
I hope you know I believe in Jesus, I believe in God
I believe therell come a time youll find what youve been dreaming of (dreaming of)
I believe in sunsets, I believe in prayer
I believe theres hope cause theres someone out there who cares
Draw or win or lose, whatever road you choose
I believe in you I believe in you
I believe in you
