

# Call On Me

Michael Jackson

There goes the sunshine  
Here comes the rain  
And heartache pains  
What can I do but wait for you? Darling the days, I had were cold  
Now our separate ways we go  
It seems you want more than the love I can give  
Well, I can't make you stay and you've got your life to live But if it gets too rough  
Call on me Dreams of golden glare  
Taking you away from here  
But if ever think that has to be, turns your dreams around  
Love and understanding is what you need If you can't get enough  
Call on me I'm so sad you're leaving  
It's gonna kill me  
Not to be with you But I want you to be happy  
If heartache's what you want  
Then I want it too So, goodbye with all my prayers  
For your happiness in a world elsewhere  
Should you arrive and it's not there  
Call on me, call on me Yes, happiness waits for you elsewhere  
Remember this  
Should you arrive and it's not there  
Call on me, call on me Yes, happiness waits for you elsewhere  
Remember this  
Should you arrive and it's not there  
Call on me
