

# On the Ropes

## The Honeycutters

I've been making something out of nothing for a long time now  
you might say I'm bluffing but I'm gonna make it work somehow  
if you think they've got me on the ropes  
don't you blink,  
Honey here I go I've been hoping lately that I'm dreaming and I'll wake up soon  
and looking all around me just for one thing I can call the truth  
but if you see me heading for the door  
just count to three  
I'm coming back for more it's not time  
I'm not tired  
I've got everything I need to get me through the night  
Let it burn, let it bleed  
you don't need to try so hard to make me feel alright  
go on leave, go on home  
it's not your fight I've made my mistakes you know I've paid a lot to feel this bad  
it's a thousand dollar hangover it ain't even the worst I've had  
but if you think I'm sitting out this dance  
pour me one more drink, I've still got a ghost of a chance
