Last Temptation

T'Pau

Yeah, yeah, heh
You feel that
Can you feel that
Y'all can't feel that, heh, yeah
We gonna do it like this real old school, shit
Take them back to the parks and shit
Do it like, we used to do it, you know
DJ Irv days and shit
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Tonight somebody sho nuff
Gon' tear the club the fuck up
As soon as I hit the scene
All eyes on us, mean and so vicious
A good nigga, bad intentions
Not to mention, them 12 engine Benzes with fish lenses
We park right out front to handle our business
The broads on the way in showin' a little attention
Like, I fucked before but ain't never call
That's life, you either love to live it or just live it
I live it to the limit, Champagne finish gangsta
Image, platinum shades swingin'
Then I do that 2 step that niggaz do
We don't really dance, we just rub the dick on the ass
And fill the glass with nothin' but [Incomprehensible]
And if they pop it gettin' the poppin' with me
Get my niggaz tonight baby, let's party
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'

To have the time of your life
Come on y'all
Yo, uh, now a party ain't a party till Chuck come through
Bring who? Rolled dolo jeans over Manolo's
Duke says I look better out the photos
And hotter in person, hottest when I'm cursin'
Love my bitch thuggelbees
Strokin' my ego then he go for the bubbly
Nigga love me, we go to the vehicle, talk dirty
Past flirty, flight leavin' at five thirty
It's hot in herre, foggin' the windows
[Incomprehensible]Throw dat, I the designated driver
Chuck never the rider, gotta play
Passenger side beside them, whoa
Gotta be controllin' when I'm rollin'
Weed niggaz swollen, cock blocker
Hands on my knockers, he feelin' them poppers
But Chuck never givin' it up, livin' it up
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Uh, Count me and my niggaz as OD'in
Rule got a bitch Korean, lap dancin'
Off to the murder mansion, ride the shoulder
Benz and the Rover, Nigga we ain't sober
Girl Interrupted, murder got me corrupted
With shots so that any lickin' shots with the semi
Out the sunroof of the Bentley
Bottles all empty but niggaz got stashes
Never fuckin' the glasses
Ha, you know the Rule roll up in the party
Me and Charli, ready to have them hotties
Rub up on my body 'cuz after the club
It's the after set with some pushin' a little head
Is always the safe bet, she tell me V twizzy
In the red Corvette, swervin' lanes
[Incomprehensible] a little pain and say what's my name, 'Rule Baby'
You know it, now let's get high, take a ride with me tonight, yeah
Let's all get high, get out, feel free tonight
Temptation is temptin'

To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
(We gotta give a dance to this shit here)
Come on y'all
Uh, Murder Inc shit
Yea, Rule Baby
Chuck B-More, yea, its a family affair
Can you feel it, can you feel it?
You can't feel it, temptation
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
Let's all get high, get out, feel free tonight
Temptation is temptin'
To have the time of your life
Come on y'all
