4 Digits

DJ Mustard

When I be in the shower, she know that I leave it alone
So for at least a half an hour, she be tryna break into my phone, oh
I don't know what I did to make her feel insecure
But she gon' have to trust me, cause I ain't even doing no wrongShe won't ever get them four digits
No she won't ever get them four digits
She about to lock my phone, tryna unlock my phone
She about to lock my phone, tryna unlock my phone
She won't ever get them four digitsShe so damn nosy, don't know why she be listening to her friends
That's probably why she on me, cause they niggas be cheating on them
She just wanna be up in my photos
She just wanna be up in my videos
She just wanna be up in my emails and my DM'sShe won't ever get them four digits
No she won't ever get them four digits
She about to lock my phone, tryna unlock my phone
She about to lock my phone, tryna unlock my phone
She won't ever get them four digitsNow I lay me down to sleep
I pray the Lord my code to keep
If I should die before I wake
I hope this girl don't crack my bank
Face down, bring her offWhat's crackin' baby, other than my code
Just came off the motherfuckin' road
Already it's another episode
I think shawty undercover on the low
You know I be on the phone talkin' real late to 'em
She be walkin' real late on me, getting straight to 'em
I be like "okay baby stay calm, it's just Jake from State Farm"
On the real, what you searching for?
The thought upsets you, seeing that I hurt you more
I'm out the game but you know that I gotta keep it player
Every night I say a prayer, she won't ever get the four digitsShe won't ever get them four digits
No she won't ever get them four digits
She about to lock my phone, tryna unlock my phone
She about to lock my phone, tryna unlock my phone
She won't ever get them four digitsShe won't ever get them four digits
No she won't ever get them four digits
She about to lock my phone, tryna unlock my phone
She about to lock my phone, tryna unlock my phone
She won't ever get them four digits
