Fat Cat

The Rifles

Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
That's all I do, that's all I do
That's all I do, that's all I do
I'm a fat cat, look at me, stomach like a Volkswagen
Still I can handle my, business got these hoes braggin'
Ice Cube put it down
(Bitch, I am the dragon)
I am a fuckin' clown
(Yo, look how I'm actin')
They wanna throw me out but they bet' not touch me
Is this nigga fuckin' crazy or is he just lucky?
Actin' like he own the place
Y'all niggaz best to rendezvous
This nigga ain't no pussy y'all
This kind of cat all he came to do is
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
That's all I do, that's all I do
That's all I do, that's all I do
People wanna know how I make that money
Momma, Ice Cube didn't raise no dummy
This fat cat don't chase no mice
Hood rats think they can live off Ice
Enemies think I'm finicky, nigga be
Walkin' 'round here like a Kennedy
Tend to be, movin' like a centipede

Y'all muh'fuckers still just Little League
Now I know when the haters get mad, I'm doin' my job
Some niggaz can't dunk 'til you throw them a lob
Better go find, another one to rob
You just a role player this my squad
You get lenched, this my mob
Ain't that I, you a facade
All in the alley, lookin' through the trash
I'm a fat cat, lookin' through the glass
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
Countin' money, eatin' rats, gettin' pussy all day
All I do is lean back, still makin' greenbacks
That's all I do, that's all I do
That's all I do, that's all I do
