Going to the polo . oh oh
Lean try that got away with the words he can rap
Respect my ways ?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your
?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your
So fresh so clean word on the scream are so sweet
I can top off on that I live I ? feel me I will be
So please don?t try me I am still in the company of . enjoy
M Maxine relaxing chilling double stocking ? try to see what is at me
This two young ladies is the reason all day I dream about
They are sexy I can call you ? enter to a room with a lot of . some money
What you have been doing . nothing hanging .

To the meanest machine ain?t no . sleep I am back on your
?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your

More way Rolex treat me no flex rolling
I marry a . pretty as a single
Fine as a stripper
Stripper try to tip her
I don?t want no dance
Get off my wiper
You ain?t try to rip me
If you ain?t try to rip off
Bitch we are . we don?t need no new

I reset of . that is some education
I often play that cool . bring . respect was hard to earn
?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your
?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your
?ain?t no run through the city
To the meanest machine ain?t no . sleep I am back on your
