

Knife Party

Deftones

My knife it's sharp and chrome
Come see inside my bones
All of the fiends are on the block
I'm the new king
I take the queenSee here we are all anemic
In here anemic and sweet, soGo get your knife, go get your knife
And come in
So go get your knife, go get your knife
And lay downGo get your knife, go get your knife
Now kiss meOoh, I can float here forever
In this room
we can't touch the floor
in here
We're all anemic
In here anemic and sweet soGo get your knife, go get your knife
And come inGo get your knife, go get your knife
And lay downGo get your knife, go get your knife
And kiss meI could float here forever
You are ever sweet
Oh, I could float here forever
Oh, anemic and sweet, soGo get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Can't feel a thing
Go get your knife, go get your knife
And kiss me
