

Adam Levine

Electric Six

Give all your money to Adam Levine
But Adam Levine don't need your money
His eternal reign was decreed
when Adam Levine was only 22
Four other white guys too
It's a coup Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Keep our popular music clean
Give all your money to Adam Levine
He's running around with a Malibu Queen
In Aspen she's a real snow-bunny
Spending her new mudroom money
Which originally belonged to you Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell

Rot in hell
Burn in hell
Motherfucker
Was it the lies that they tell us
or was it just us gettin' jealous
or was it the shit that they sell us
The? on the jets can smell us
They're taking it way too far
Compressing every guitar
And we forget who we are
And how we got hereLook there on the TV screen
They're mass producing Adam Levine
Adam Levine gets sold and bought
We lick him up without a thought
And count the days 'til we all rot in hellfireBurn in hell

Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
Burn in hell
Rot in hell
Burn in hell
Motherfucker
