

# Red House

## The Maledictions

There's a red house over yonder, that's where my baby stays.  
There's a red house over yonder, baby, that's where my baby stays.  
Well, I ain't been home to see my baby in about ninety nine and one half days,  
'bout time I see her. Wait a minute, something's wrong.  
The key wont unlock the door.  
Wait a minute, something's wrong, baby.  
The key wont unlock the door.  
I got a bad, bad feeling that my baby don't live here no more. I might as well go on back down,  
go back 'cross yonder over the hill.  
I might as well go back over yonder  
way back yonder 'cross the hill, (That's where I come from)  
'Cos if my baby don't love me no more.  
I know her sister will!
