

Somewhere

K's Choice

There's something about this day
That feels a lot like yesterday
Everything looks the same, the wall, the TV set
The way I move around myself to beSomewhere over there
Where things just seem to grow
Where somebody seems to know
What they want from meI never felt like I belonged
To anything or anyone
Still I depend on you for every single thing
I could be wrong about so much, butSomewhere over there
Where things just seem to grow
Where somebody seems to know
What they want from meI'm too young to know I'm young
I'm too selfish to be strong
Am I too old
To allow my adolescence to go on?There's something about this day
That's not at all like yesterday
I could beSomewhere over there
Where things just seem to grow
Where somebody seems to know
What they want from me
