

Rewind (find A Way)

Beverley Knight

Written By Knight/Pheto/ThomasRestart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come again
Restart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come againFunny how, when in love, everything your baby
does has meaning
Then it ends, love is spurned and then your sanity returns you seething
What do you do?
You scream you shout you fall about, you do whatever suits ya
Yourself control is left to doubt
Revenge it seems so right
You weep you wail you tell your tale
To anyone who'll listen
Then when you find the time to chill, discover life is out there still, soFind a way to start it again
Bring it back and start it over
Find another way to begin
Fade to grey and turn it over
Find a way to start it again
Bring it back and start it over, again, again, againMost of us in our lives, made a choice and sacrificed our
feelings
And who's to say, that you're okay, when you feel like the layers of your soul are peeling
Oh and I know, all you want is solitude, 'cause you're ain't in the mood
But you gotta find a way to start again, soChorusRestart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come again
Restart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come againOh and I know, all you want is solitude, 'cause
you're ain't in the mood
But you gotta find a way to start againRestart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come again
Restart, retrigger, press rewind and you just come again
Reset, reprogramme, wheel it back and you just come againChorus (x3)
