Angel

Gina Jeffreys

How did you find me here
Oh won't you tell me dear
You must have heard my prayer
Did you know that I was wishing
For something that was missing
I turned and you were there
Was it always your intention
Or was it meant to be
Was it divine intervention
That led your heart to meMy angel
My one and only
Never let you go
My angel
You've seen the last of lonely
Baby I know
You're my angelI swear until this day
I never felt this way
I never thought I could
Oh baby you mean the world to me
And I will always be
Right by your side for good
Just like the waves of the ocean
On a clear blue sea
I feel the sweetest emotion
Oh - washing over meMy angel
My one and only
Never let you go
My angel
You've seen the last of lonely
Baby I know
You're my angelWas it always your intention
Or was it meant to be
Was it divine intervention
That led your heart to meMy angel
My one and only
Never let you go
My angel
You've seen the last of lonely
Baby I know

You're my angel
