

# Stand Together

## Squad Five-O

We've got to stand together  
We've got to work together  
We've got to stick together  
Together overcomeWe've got to walk together  
We've got to live together  
We've to stay together  
Together overcomeTogether be as one  
Together in His sight  
Together by His might  
Together so we might standA house divided  
Fall in the end  
So heed the warning  
Stand together
