False Prophet Preaching

Indecision

Preach common sense and call it religion
Tell me not to kill and now I must worship you
You're invisible, I can't see you
You're inaudible, I can't hear you
Feed the hungry, clothe the naked
Starve the hungry, choke the thirsty
Let them all bleed dry in my grasp
No angels stalk, stalk, stalk, stalk
I am reborn, I know apocalypse
And no one fucking tells me
What is wrong and what is right
