Pickpocket Man

Mustard Plug

Spend too many days, Trying to make a living
Why should i give, When no one's giving
I got a new, Kind of direction
Taking what I want, My personal selectionYou can't put the blame on me for doing what I can
Making my own living I'm a pickpocket man
You can't put the blame on me for doing what I can
Making my own living I'm a pickpocket manHow could I've been, So damn naive
I've always had, Something up my sleeve
Now it's your, Personal position
I've found my new, Perfect professionYou can't put the blame on me for doing what I can
Making my own living I'm a pickpocket man
You can't put the blame on me for doing what I can
Making my own living I'm a pickpocket man
You can't put the blame on me for doing what I can
Making my own living I'm a pickpocket man
You can't put the blame on me for doing what I can
Making my own living I'm a pickpocket man
