Snowball

Hoagy Carmichael

Snowball, my honey, dont you melt away
Cause daddy likes those dark brown eyes
Snowball, my honey, smile at me each day
Cause daddy likes those dark brown eyesYoure my only sweetheart, little chocolate bar
Ill eat you up some day
Your two hands and feet are just as black as tar
But dont you cry, why, sayThe good Lord said, use an apple dumplin
To make your head, you know its really somethin
Snowball, my honey, dont you melt away
Cause daddy likes those dark brown eyes
