Jerusalem is my home
That I love so much
My wishes and hopes are for you
My eyes will see beautiful gates
And the street of gold
Of the City of Salvation MALAIKA (My Beautiful Angel)
I love you my angel
I want to marry you to be my wife
But I don't have any money to pay for lobola (dowry)
You're the only angel I think of
You bring happiness to my heart
If I marry you, I'll be the happiest man
