

# Stay With Him (Intro)

**Brian McKnight**

When we started down this crooked path  
It was a point in time, wasn't meant to be  
I told you not, not to fall in love with me I hate, I hate to leave you  
Out, out there on that limb  
I think you might  
You might as well, stay with him, Lord Ooh they say the grass, the grass is greener over yonder on the other side  
I never told you that I loved you and if I did, baby I lied  
You wanna tell that it's over  
Well I think you might wanna think again Maybe you might, might as well stay with him  
'Cause you don't know, you don't know  
How much he loves you, needs you so
