Sensuality

Mars Lasar

Sensuality, sensuality
Your love's got a hold on me
Hey, hey
Physical attraction
Like a walk through the valley of paradise
Clouds disappear and the sunshine rises
Inner thoughts overflow like the sea
The secrets and fantasies of the body
It makes you sweat, it makes you wet
The kind of feeling that you got to get
Supernatural, irresistible
Feel the love, 'cause I like it sensual
What is this physical attraction?
Can't help it, I need satisfaction
Oh yeah
Sensuality
It's got a hold on me
What is this physical attraction?
Can't help it, I need satisfaction
And I need satisfaction, yeah
Now take a deep dive, let your emotions go
Further than you wish, but look out be cautious
The mind and body come together as one
But play it safe if you're gonna have fun
You need satisfaction, so start the flexin'
Hungry for love, the physical attraction
Sexual, natural, no added flavor
'Cause I like it sensual

What is this physical attraction, physical?
Can't help it, I need satisfaction
Oh yeah
Sensuality
It's got a hold on me
Sensuality
And I need satisfaction
It's got a hold on me
Physical attraction
Got to get it

Physical attraction
Yeah, it's so sensual
Supernatural, irresistible
Hey yeah, hey yeah
Physical attraction
Sensuality
I need satisfaction
What is this physical attraction?
Can't help it, I need satisfaction
Oh yeah
Sensuality
It's got a hold on me
Physical attraction
Sensuality
It's got a hold on me
Sensuality
It's got a hold on me
