Sleep Walkers

Insane Clown Posse

[Opening Audio]

OK i will tell you if you don't tell no one else
Think i have a problem and i probably could use help
You know the midnight killer that's been all over TV?
I've not told Alisha but i think it could be me.

Something happens to me when I'm sleeping in the night
Wake up in my backyard with a shovel and a knife
Filling up a hole again, I've dug up 32
I know all my trees of murder probably all are true.

[Chorus]
I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

I walk around my neighborhood in slippers and my sweats
Snoring loud and evil and steady squeezing necks
Never have to worry about traffic or the cops
All i have to do is stay away from doughnut shops

I remember napping time in 'kindergarten class
Wasn't quite a killer yet , I'd only beat some ass
Never very popular, most kids would point and stare
Thats why I'd break their neck and drink that shit right there

[Chorus]
I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

[Mid-song Audio]

The more i think about it, more i see that it could be
Every time i meet a girl and bring her home with me
Wake up in the morning, there's no sign of my sweetheart

Yet i see another hole is dug up in my yard

Denny's all night murders and the Kinko's killing spree
Missing Sunday paper boys, i can't believe its me
I'm the only one from summer camp who made it home
Could this be whats really going on? Lemme sleep on it

[Chorus]
I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

Ride around on possum back and eat with a raccoon
Chirping with the crickets naked underneath the moon
Every morning i wake up and check if i've been gone
Muddy boots a staken shake, food wrappers on my lawn

I cannot imagine just to think what i have done
Sat there eating chili fries and slaughtered everyone
Tried to see a hypnotist to see inside my head
But wok up and found that bitch dead Because

[Chorus]
I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.

I choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
Choke 'em (choke 'em) Kill 'em (kill 'em) Stab 'em (right)
Choke 'em (choke 'em) Kill 'em (kill 'em) and sleep right through the night.
