

Out Of Line

The Bravery

Hey sweet Eliza, remember me?
I'm a liar, but not a cheat, no.

I think it's safe to say that I get carried away
And liars aren't fooling anyone

Forgive me if I'm out of line
I can't control myself sometimes

I think I'm sick but I might be well
I think I'm wrong but it's hard to tell
I think I feel like I've never fell for you

Hey sweet Cassandra, remember me?
You're no longer the one I need
I find it hard to tell that I'm fine with the angel
But silence isn't fooling anyone

Forgive me if I'm out of line
I can't control myself sometimes

I think I'm sick but I might be well
I think I'm wrong but it's hard to tell
I think I feel like I've never fell for you

Oooh, oooh
Oooh, oooh

Oooh, oooh,
Oooh, oooh

I think I'm sick but I might be well
I think I'm wrong but it's hard to tell
I think I feel like I've never fell for you

Forgive me if I'm out of line
