

# Now I Don't Know

**Barbara Dickson**

There was a time when you'd say  
What's on your mind  
But lately I've noticed  
You're just not that kind  
And now for no reason  
You're being strange and making plans to change  
I thought I knew you  
But now I don't know  
But now I don't know  
We were so different  
We were so new  
But now it's all changing  
And I'm gonna lose  
You say what's the matter  
And I feel a fool for staying here like I am  
I thought I knew you  
But now I don't know  
But now I don't know
