

Believe Me

Badfinger

Believe me, if I wanted
Spend the rest of my time with a mean, lean, woman like you
Would I?
If I needed, but I don't Will I?
If you want me
Give you all the love in the world that a man could
Still I, if I needed, I could Then I could cry your name and you would come
There'd be no need for me anymore, anymore! Believe me, if I wanted
Spend the rest of my time with a mean, lean, woman like you
Would I, if I needed, but I don't
