

20 Dollar Bills

Starflyer 59

When you're done with the run
I wanna take your height
Like everybody else
Who knows you're coming back By luring all your friends
With a never ending light
Not 20 dollar bills
That never change your life
That never change your life When you're done with the run
I wanna take your height
Like everybody else
With a double-decker house By luring all your friends
With a never ending light
Not 20 dollar bills
That never change your life
That never change your life
