

Toy Soldiers - Single Version

[Martika](#)

Step by step, heart to heart, left, right, left
We all fall down like toy soldiers It wasn't my intention to mislead you
It never should have been this way, what can I say?
It's true, I did extend the invitation
I never knew how long you'd stay When you hear temptation call
It's your heart that takes, takes the fall
(Won't you come out and play with me) Step by step, heart to heart, left, right, left
We all fall down like toy soldiers
Bit by bit, torn apart, we never win
But the battle wages on for toy soldiers It's getting hard to wake up in the morning
My head is spinning constantly, how can it be?
How could I be so blind to this addiction?
If I don't stop, the next one's gonna be me Only emptiness remains
It replaces all, all the pain
(Won't you come out and play with me) Step by step, heart to heart, left, right, left
We all fall down like toy soldiers
Bit by bit, torn apart, we never win
But the battle wages on for toy soldiers We never win Only emptiness remains
It replaces all, all the pain
(Won't you come out and play with me) Step by step, heart to heart, left, right, left
We all fall down like toy soldiers
Bit by bit, torn apart, we never win
But the battle wages on for toy soldiers Step by step, heart to heart, left, right, left
We all fall down like toy soldiers
