

# In Hopes Of A Garden

## Steppenwolf

In hopes of a garden  
The scent of a smile  
A long summer's day love  
Quickly dissolves away  
In hopes of a garden  
The scent of a smile  
A long summer's day love  
We'll use our hopes as a place  
We'll use out hopes as a place  
Come with me  
Come with me  
Come with me
