Little Boxes

Elvis Costello

Little boxes on the hillside,
Little boxes made of ticky-tacky,
Little boxes, little boxes,
Little boxes, just the same.
There's a green one and a pink one
And a blue one and a yellow one
And they're all made out of ticky-tacky
And they all look just the same.And the people in the houses
All ran to the university,
And they were put in boxes,
And they came out all the same
There's a doctor and a lawyer
And a business executive,
And they're all made out of ticky-tacky
And they all look just the same.
