Magic for me  
Magic make no sound  
It good for me  
It good for me underground Magic on me  
Really got me down  
Invade the city  
It make my heart  
Beat no sound Beat no sound  
Beat no sound  
Beat no sound  
Beat no sound  
Beat no sound And let me tell myself  
Tell on  
She turned my dad on  
She turned my dad on  
Dad on, dad on Magic for me  
Magic get me through  
We pledge it money  
People seem to walk through you Magic's funny  
Magic get me through  
All good for me  
When people seem to  
Always walk through you  
Walk through you Walk through you  
Walk through you  
Walk through you  
Walk through you Walk through you  
Walk through you  
Walk through you  
Walk through you And let me tell myself  
Tell on  
She turned my dad on  
She turned my dad on  
Dad on, dad on She made me kill myself  
Come on  
Come on She turned my dad on  
Come on  
She turned my dad on  
Come on

She turned my dad onShe turned my dad on  
Dad on, dad on
