Me Without You

Love And Theft

Like a thundercloud without a chance of rain
Like a stretch of sandy beach without the waves
It's like I'm spinning my wheels down a lonely interstate
Me without you
It's a picture perfect sky without a view
It's an empty seat at a table for two
It's having all the time in the world and nothing to do
Me without you
I've been loving you so long, I'm a leaf lost in the wind
I wanna be so strong but I don't know how to begin
So I keep holding on 'cause I don't know what else to do
I try to be but I'm not me without you
It's a beautiful song to be sung but no one to sing
It's this beat up old guitar missing a string
It's me calling in the middle of the night and it just rings
Me without you
And I've been loving you so long, I'm a leaf lost in the wind
I wanna be so strong but I don't know how to begin
So I keep holding on 'cause I don't know what else to do
I try to be, I'm not me without you
Baby, tonight I'm gonna light your favorite candles
I'm gonna open a bottle of my favorite Spanish wine
I'm gonna listen to the song that we made love to the first time
It's all that I can do, it's all that I can do
And I've been loving you so long, I'm a leaf lost in the wind
I want to be so strong but I don't know how to begin
So I keep holding on 'cause I don't know what else to do
I try to be but I'm not me without you
I can try to be but I'm not me without you
