

Accidents

Cheats

I'm not sure what's worse
The waiting or the waiting room
You're next sir
Becomes a cruel taunt to you Recycled air
The smell of sleep and disinfectant
Your God is
A two door elevator Do they even cure you
(Cut me open drug me)
Or is it just to humor us before we die
(Repair all my defects)
If only we could heal ourselves
We wouldn't need to be hooked up to these machines Let's redefine
Let's redefine
Let's redefine
Let's redefine
Let's redefine
Let's redefine
What it means to heal Do they even cure you
(Cut me open drug me)
Or is it just to humor us before we die
(Repair all my defects)
If only we could heal ourselves
We wouldn't need to be hooked up to these machines
