

Umbrella Beach (Long Lost Sun Remix)

[Owl City](#)

Stands and gears, oh how the daisies bloom
When chandeliers light up the engine room
Can you feel the drops as it starts to rain
There's an underwater Ferris wheel where
I found the missing link to this island chain
Home will always be here unseen, out of sight
Where I disappear and hide
I think dreamy things as I'm waving goodbye
So I'll spread out my wings and fly
Home is a boxcar and it's so far out of reach
Hidden under umbrella beach
Home will always be here, unseen, out of sight
Where I disappear and hide
I think dreamy things as I'm waving goodbye
So I'll spread out my wings and fly
I'll spread my wings and fly
Home is a boxcar and it's so far out of reach
Hidden under umbrella beach
