Rest / Yes Indeed

Bobby McFerrin

Ought you know I hope and I confused
and you know I hope and I've been used
But I keep my mind on you in this
I should be disturbed and lose your restopened I robbed peace of mind
open up tempted to be unkind
try to keep my mind shut 'cause it's best
focusing my mind on You means rest(choirs)I have lived a life of careless ease
I've been doing whatever I please
ignoring what you would say is best
and the things that you say will bring rest
now I've turned that off to see your life
and I'm living life without my might
I know being you is the best
look at in your neighbour be in rest(choirs)I'm leaning on your arm, yes indeed Lord
Oh without your arm I can't make it
no I won't make it alone, no indeedI'm leaning on your joy, yes indeed Lord
Oh without your joy I can't make it
no I won't make it alone, no indeedI'm leaning on your arm, yes indeed Lord
Oh without your arm I can't make it
no I won't make it alone, no indeedI'm leaning on your love, yes indeed Lord
Oh without your love I can't make it
no I won't make it alone, no indeed
I'm leaning on your arm, yes indeed Lord
Oh without your arm I can't make it
no I won't make it alone, no indeedI'm leaning on your word, yes indeed Lord
Oh without your word I can't make it
no I won't make it alone, no indeedI have lived a life of careless ease
I've been doing whatever I please
Ignoring what you would say is best
And the things that you say will bring restNow I've turned that office in your life
And I'm living life with all my might
I know being You is the best
look at in your neighbour be at rest.
