

Does Anybody Love Me?

John Redmon

Does anybody out there love me
Then won't you stand up and tell me
You'll cast out every doubt and fear
I have held to all these years

Does anybody out there care for me
Unashamed will you claim me
Can anybody out there care
Does anybody out there dare

Is there anybody out there
Who can love someone like me

Love me
Hold me
Show me
Say it to me
Tell me
That you love me
Is there anybody somebody out there
Who can love someone like me
