## Bestial Warlust

Murdering pigs  
Fucking your world  
Satanic war for lust  
Slaughter hell noise  
Fucking Destroys  
Satanic warface  
Demonic night  
Fucking hell fight  
Satans victory cry  
For murder and lust  
Slaughtering pigs  
With hellfire noise  
Satanic Deathmetal

It is the righteous lust for Death  
And spirit to Destroy and hate  
It is the call of the wolf for blood  
And the scream of the vengeful our  
It is not from the morals and values of today  
That we will create the new satanic world  
They are Diseased and sick and as good as Dead  
It is the warrior values of centuries first
