

Gimme Your Love

Deborah Glasgow

Got to gimme your love
Got to give it up
Got to gimme your love
Just cant get enough I said gimme the love that I need so bad
Cause girl, without you, Im, oh, so sad
I never want to be without you
Without you, girl, I dont know what Id do Got to gimme your love
Got to give it up
Got to gimme your love
Just cant get enough Gimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love You are the one for me now, baby
And Im the one for you
Whenever Im without you, darling
I dont know what to do You got me, girl and you know it
You got me, girl, dont blow it
I got to tell you just how I feel
Cause all these feelings are all for real Gimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love
[Incomprehensible] Every night and every day, baby
Im thinking of you
I would die if you left me, darling
Tell me, oh, what should I do You got me, girl and you know it
You got me, girl, dont blow it
I just got to let you know
I could never let you go Gimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love I said gimme the love that I need so bad
Cause, girl, without you, Im, oh, so sad
I never want to be without you
Without you, girl, I dont know what Id do If I had the world, girl, Id give it to you
I promise that I will always be true
Now let me get right down to the point
What Im trying to say is Im simply the joint Give me your love, girl, uh, give me a kiss
This is something you should not miss

And girl, dont make a big mistake
Cause this is something my heart just cannot take
What Im trying to say
Is Im the one for you
Just cant get enough
Gimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love
Gimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love
