

# I Want You

Fefe Dobson

I want you  
When the sun comes up  
I wanna make you mine  
I wanna make it count I want you  
I wanna take you home  
I'm gonna make it known  
I wanna take you on I want you  
Don't let me say it again  
I won't say it again  
Don't let me say it again I want you  
I want you more than a friend  
I'm gonna, gonna make you mine And the bells will ring and the children sing  
'Cause you're gonna be all mine  
And the people dance as they clap their hands Just to see what we could be  
(I want you)  
Just to see what we could be  
(I want you)  
Don't you see what we could be  
(I want you)  
Yea see what we could be I want you  
I want you everywhere  
I'm gonna make it clear  
I want you standing here I want you  
I wanna be the one  
I wanna show you off  
So I can have some fun I want you  
Don't let me say it again  
I won't say it again  
Don't let me say it again I want you  
I want you more than a friend  
I'm gonna gonna make you mine And the bells will ring and the children sing  
'Cause you're gonna be all mine  
And the people dance as they clap their hands Just to see what we could be  
(I want you)  
Just to see what we could be  
(I want you) Don't you see what we could be  
(I want you)  
Yeah, see what we could be All the girls, all the boys  
Clap, clap, clap, clap, clap your hands

Clap, clap, clap, clap, clap your hands  
Clap, clap, clap, clap, clap your hands  
Clap, clap, clap, clap, clap your hands And the bells will ring and the children sing  
'Cause you're gonna be all mine  
And the people dance as they clap their hands Just to see what we can be  
(I want you)  
Just to see what we can be  
(I want you) Don't you see what we can be  
(I want you)  
Yeah, see what we can be
