Mr. Clean (feat. White Shinobi)

Yung Gravy

Gravy
(Mr. Sandman Intro)
Gravy make em splash like pippen
Shit that's nothing (splash)
Everybody call me big pippen
No, I ain't bluffin
I put your mom in the kitchen
Making blueberry muffins
Must be thanksgiving
Cause heâ€™ll bitch with the stuffing

[Chorus:]
Mr. Clean
Gravy why you flow so mean
Mr. Clean
Pulled up with my whole damn team
Mr Clean
Mr Clean
Mista Clean
Mistahhh Clean

Gravy he be clean like windex
Just Hit your mom with my index
And your music like a pinhead
All my haters they be skinheads
Pissed off cause their wife is their sister
Hey Yung Gravy just kissed her (Hot damn)
Pull up on the scene
Caused a wet dream on my neat-o submarine
If you got the beef I'll turn your ass to smitherines
You all looking scary I thought it was Halloween
Gravy be clean like some fucking Listerine
But I smooth it out like a jar of vaseline
Shit
Posed with a Milf and her nameâ€™s charlene
Everybody Wonder where she got her hygiene

It's all thanks to mr. Clean

[Chrous]

Gravy he be clean like Colgate
White Milf Charlene that's my soul mate
He ain't got a bitch I might donate
Slide in the dms with a snowflake
Talking about your girl my favorite topic
You can't even see me you would think I'm microscopic
Gravy balling out like the fucker flint tropics
Turning these bitches on cause I'm really good at bop it
clean in clean out
Pull it up drop top viper
Had to steal your bitch
Finessed it like I'm swiper
So much bread gotta get my fiber
Gravy he be cleaning by your windshield wipers
Your step mom made me a piper
You can call me the pied piper
I don't eat the booty I don't even gotta to say
But I'll eat my girls ass if she had a bad day
Gravy don't play
Bitch im at the bakery
Dem Donuts getting glazed
Same with three hoes
Like it's the holidays
Still i cook the bread
You would think im mayonnaise (hot damn)
Shit I'm so goddamn clean got me feeling that I'm Billy Mays (Holy Shit)

[Chorus]
