

# It's the Only One You've Got

## 3 Doors Down

How do you know where you're going  
When you don't know where you've been?  
You hide the shame that you're not showing and you won't let anyone in  
A crowded street can be a quiet place when you're walking alone  
And now you think that you're the only one  
Who doesn't have to try and you won't have to fail  
If you're afraid to fight then I guess you never will  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only you've got  
Memories have left you broken and the  
scars have never healed  
The emptiness in you is growing with so little left to feel  
You're scared to look back on the days before  
You're too tired to move on  
And now you think that you're the only one  
Who doesn't have to try and you won't have to fail  
If you're afraid to fly then I guess you never will  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only you've got  
Oh, what will it take, oh to get you to say  
that I'll try?  
And what would you say if this was the last day of your life?  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only you've got  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only you've got
