Steppin' Into Heaven

R. Kelly

It's the piper y'all
I just wanna know what y'all are doin' this weekend
I got somethin' goin' down
And I just want y'all to be there
To share this dream of loveYou're invited
To come and be a part of a
Celebration
On my love trainYou don't need nothin'
Come as you are, just
Make sure when I show you love
You show love back the sameGot my shoes, got my hat, got my suit
And I'm ready to go now
Oh yeahAnd me and my partner look so good
It's like we about to do a show now
So if you're steppin' come on downGrab your partner
Hit the dance floor
Tonight we'll be
Steppin' into heaven
(Steppin' into heaven)Grab her hand and
Spin her 'round and 'round
Tonight we'll be
Steppin' into heavenOh, congratulations
If you're celebratin'
Your anniversary
Or your birthdayHere by yourself
Then get up and find someone
(Because)
We don't need no reason to celebrateGot my shoes, got my hat, got my coat
And I'm ready to go now
Oh yeahMe and my partner look so good
It's like we about to do a show now
So if you're steppin' come on downGrab your partner
