

# Caffeine Cold

## Fall Out Boy

Riff1 2! I Just Want to feel you up with such dread  
Let you suck it out let you suck it out  
Till I'm dry and dead  
Now I've got love flowin in my nightmare girls  
Caffeine Cold Caffeine Cold and I can't see shit Don't breathe life in to the monster then  
Complain when he destroys it all again  
Don't breathe life into the monster then  
Complain when he destroys it all again Now I smell like cigarettes  
Cause I love to breathe your smoke  
I smell like alcohol  
Cause I drink to believe it all I have 3 drinks  
Before I even start to count  
I think I'm gonna move  
Way down south Don't breathe life into the monster then  
Complain when he destroys it all again  
Don't breathe life into the monster then  
Complain when he destroys it all again "I'm not a monster  
Just really fucked up  
I'm tired  
I'll see you in hell  
Are you judging me?  
Don't laugh at me  
Don't laugh at me  
No seriously don't laugh at me  
It's not funny  
I'm not joking  
It's not funny  
I'm not laughing"
