

Watch Me Move

Fefe Dobson

When I walk, I'm walkin' straight up with emotion
When you see my hips shake, baby, look for cover
You try to put me in a box but I'm the only one
I'm a fire cracker, boy, don't tell your mother
W-w-watch me move
W-w-watch me move
I'll get you in the mood
W-w-watch me I'm a lover with no boundaries, you can't hold me down
But if I like you, baby, I might just let ya I'm feelin' physical, how 'bout a demonstration?
When I'm through you're gonna learn
More than a thing or two
I'm gonna tease ya till you beg for euthanasia
I'm a respirator, now watch me move
W-w-watch me move
W-w-watch me move
I'll get you in the mood
W-w-watch me I feel your eyes fall on me, baby
Take a good look, burn it into your memory
When I walk into the room
You're gonna, you're gonna
W-w-watch me move
W-w-watch me move
W-w-watch me move
W-w-watch me You know what I can do
I'll get you in the mood
