

# Forever For Tonight

## Blessid Union Of Souls

Could I be with you alone?  
I'm not sure where this will go  
Cause we don't have the time we need  
Just enough to make us bleedCause I'll be leaving soon  
It's hard to say when I'll return  
And I don't want to lead you on  
So if you feel the need  
Close your eyes and share this dream  
It will be eternityForever for tonight  
I will be there  
To hold you through the night  
Forever for tonight  
I will love you  
Forever for tonight  
Forever for tonightAs I look into your eyes  
Feelings much too strong for us not to try  
And if by chance we lose this fight  
Darling we still have tonightSo when I'm far away  
I will always be with you  
You will never be alone  
So if you feel the need  
To take my hand and share this night  
It will be eternityForever for tonight  
I will be there  
To hold you through the night  
(I'll be there for you babe)  
Forever for tonight  
I will love you  
Forever for tonightSee, I've been broken down  
By empty promises  
Like a sky without a star  
I've been having doubts that I can feel again  
But I believe that I will love you  
Ohhhhh, yeeaaahForever for tonight  
I will be there  
To hold you through the night  
(I'll be there for you baby)  
Forever for tonight  
I will love you

Forever for tonight
