

# Beware (Explicit) ft. Lil Wayne, Jhene Aiko

## Big Sean

When you said it was over  
You shot right through my heart  
Why you let these hoes tear what we had right apart  
Ooh, I was so mad  
I could've seen this coming right from the start  
You should beware, beware, beware of a women with a broken heart  
Praying to a sky all black  
Looking at the stars like they finna talk back  
Looking at my phone like she finna call back  
But last night I feel like probably ended all that  
Cause by now she woulda sent a text in all caps  
Then another one tryna take all back  
Saying fuck you, I miss you or I hate you so much  
Cause girls only say "hate you" to the guys they love  
I know, I know, I know  
The highs, the lows it comes and goes  
You say "be real" I try, I don't  
Cause you take anything and just make it everything  
Kept my phone on silent ever since you got a ring (funny right?)  
And I never cheated (I mean, maybe once, twice)  
One time don't change everything  
She ask why I don't feel the same, I'm still the same  
She's still insane and now she's saying  
When you said it was over  
You shot right through my heart  
Why you let these hoes tear what we had right apart  
Ooh, I was so mad  
I could've seen this coming right from the start  
You should beware, beware, beware of a women with a broken heart  
Okay, skeet, smoke  
Sleep, call  
Miss, text  
Woke, spoke  
Lie, feel, Lisa ew  
Time, kill, months, still  
I got somebody baby mama calling me daddy  
I drank too much, please call me a cabby  
Penthouse after party hoes want that addy  
Fuck they can ride with us, crawl in a Caddy  
Third row is when you call, I hit cancel  
Really? I hit answer, fuck I hate when that happens  
Phone in my pocket for the whole night

And you heard bitches screamin' til my phone dies  
 Then she text me like "why you still talk to my mama?"  
 How the fuck you run around with condoms?  
 Why you make me get this tattoo?  
 Man, fuck this tattoo you the reason I wasn't single in college  
 What? all because I had you  
 Nigga I don't even have you  
 How am I suppose to get past you?  
 And she called the next guy spillin' some real shit  
 Now they problems he got to deal with When you said it was over  
 You shot right through my heart  
 Why you let these hoes tear what we had right apart  
 Ooh, I was so mad  
 I could've seen this coming right from the start  
 You should beware, beware, beware of a women with a broken heart Girl, don't believe them hoes  
 Cause they don't wanna see us together  
 And you already know you're too fly  
 But baby, don't get your hair caught in the propellers  
 I be tryna tell her these hoes is jealous  
 You know they never like it when you never say never  
 Long hair, red bone, but her pussy is hairless  
 Muah, I french kiss it like we in Paris  
 I be screaming out, "ain't no woman like the one I got"  
 But she be always worrying about the one I fucked  
 She said it's gonna be me, myself and I  
 Damn, that would make me a one-eyed fuck  
 Sch, I was so mad  
 Damn, you used to ride a nigga like a moped  
 But players fuck up, my bad  
 And just to keep from crying, I laughed When you said it was over  
 You shot right through my heart  
 Why you let these hoes tear what we had right apart  
 Ooh, I was so mad  
 I could've seen this coming right from the start  
 You should beware, beware, beware of a women with a broken heart Baby, last time calling me baby  
 Last time calling me crazy  
 Crazy, crazy Baby, last time calling me baby  
 Last time calling me crazy  
 Crazy, crazy
